Dear colleagues,

Thank you for submitting plural abstracts to ICBEN2014.

We would like to inform you that we have determined to lower the additional paper fee from 60,000 JPY to 10,000 JPY per paper.

Since it is difficult to change the registration system from now on, the additional fee on the ICBEN2014 website has not changed. So please pay 60,000 JPY per paper through the “My page” in the icben2014 website. We will refund the amount of difference at the ICBEN2014 registration desk. We are very sorry for your inconvenience.

Your understanding and cooperation on this matter will be appreciated.

Best regards,

Takashi Yano
